If working on alternating day and afternoon shifts	12.5 for the afternoon shift

Manufacturing and Associated Industries and Occupations Award 2020
Effective from the first full pay period on or after 1 July 2023

Minimum wage rates for school based apprentices

School based apprentices are paid a minimum rate of \$16.36 per hour Monday to Friday between 6am and 6pm. This rate is based on the first year apprentice rate and includes a 25 per cent loading to compensate for off-the-job training. This loading is not a casual loading and school-based apprentices accrue pro-rata personal and annual leave based on actual hours worked. Members are encouraged to contact VACC Workplace Relations for further information.

National training wage rates – Skill level B

Effective from the first full pay period to commence on or after 1 July 2023

(Schedule E to the Miscellaneous Award 2020)
