### New ACCC Fact sheet to provide to all new vehicle buyers

VACC new vehicle dealers are advised that the Australian Competition and Consumer Commission (ACCC) has released a new car consumer fact sheet titled '**Just bought a new car?**' that it anticipates will help consumers better understand their consumer guarantee rights at the point of purchasing their new vehicle. You can view the fact sheet by taking this [link](#).

ACCC advice to consumers is that the *'fact sheet should be given to you by the supplier (e.g. the dealer) at the point of sale when buying a new car. You can refer back to the information in this fact sheet in case you experience a problem later'*. For further details visit the ACCC website: [www.accc.gov.au](http://www.accc.gov.au)

Whilst the supply of this form is not prescribed, members are encouraged to provide a copy of the ACCC fact sheet '**Just bought a new car?**' to all new vehicle buyers. Members should also keep a copy of this document as part of each deal pack.

Please feel free to call me with any queries.

Kind regards
