## Industry Divisions

Dear Member

Please find a link below to the Victorian Government Business Support Fund.

This is separate to JobKeeper and all the other tax grants you may have been able to apply for through your accountant.

As you know when grants are given this is not a loan and does not need to be paid back.

It is worth considering making application. The process, as advised by Carly Ruggeri, BRD Chair, and other BRD and TOD members, is easy and only takes a few minutes to complete.

The only attachment required is your latest BAS.

The grant is \$10,000 per business and every dollar counts.

**Applications close 1 June 2020 so you still have sufficient time to make your application.**

Remember, the application process is apparently, swift and easy: <https://www.business.vic.gov.au/>.

Kind regards
