Invitation to a special event

Dear Members,

The VACC and the Approved Vehicles Examiners Group (AVEG) **would like to invite you to attend a special event on**

Thursday 20 June

3.00pm – 5.00pm – Presentations

5.00pm – 6.00pm – Networking drinks

VACC House

Level 7, 464 St Kilda Road, Melbourne

Attendees will hear from:

Mr Shayne Ellis, Senior Technical Adviser, Registration and Licensing Services, VicRoads

Shayne will discuss:

- Introduce himself and his new team working on certification.
- Explain how VicRoads is looking to continue working with VASS Signatories (including expectations, needs and requirements of stakeholders whilst ensuring vehicle safety as the number one priority).
- Future engagement with Signatories and the provision/importance of feedback.

Mr Peter Austin, Manager (Vehicle Safety and Performance) Productivity and Safety, National Heavy Vehicle Regulator

Peter will discuss:

- What expectations the NHVR will be seeking regarding the New Motor Act and AVE's professional standards, skills and knowledge.
- Collaboration of data between federal departments, NHVR and state registering bodies i.e. The future of compliance plates and how NHVR, State Registering bodies, VASS, PBS and other signatories will be able to access vehicle information.
- The progress between the VASS AVE group and the NSW Signatories towards the future AVE scheme input.

Mr Steven Amor, EV Technology Product Manager, ABB

Steven will discuss:

- How E-mobility could change private transportation in Melbourne over the next 5-7 years.

Mr Troy D'Souza, Senior Engagement and Education Specialist, Advanced Planning Department, Toyota

Troy will discuss:

- Hydrogen vehicle technology.

This is an opportunity to meet with the state and federal regulators to ask your burning questions and find out what's in the pipeline. You will also hear first hand from businesses about new technology developments that are transforming our industry.
