VACC INDUSTRY AWARDS APPLICATIONS

ARE YOU THE BEST IN YOUR INDUSTRY SECTOR?

Entries close: Friday, 29 March 2019

MAKE YOUR MARK and show Victoria that you are the **BEST IN YOUR INDUSTRY**.

Those who attended the VACC Industry Awards in 2018 will never forget it. More than 1,000 people attended the black tie gala event where 41 elite automotive businesses from across Victoria were announced as category winners in the country's most important automotive industry award program. The best of the best in the business were honoured in VACC's 100th year – so will you be one of the best in 2019?

Winning a 2019 VACC Industry Award category could significantly boost your business, as many award winners from 2018 have discovered.

Winners and finalists have the opportunity to:

- Attract new customers
- Formally recognise staff achievements – encouraging employee retention
- Leverage off VACC's reputation as a leading automotive industry association
- Promote their business to potential new staff

The VACC Industry Awards (VIA) is the only automotive award that recognises the Victorian retail, service and repair industry. We have taken into account member feedback and now it's back for 2019 bigger and better. There are awards for both small and large business classifications and also metro and regional locations. Importantly, the Awards are designed to reward the best of the best.
