Your feedback required: Review of the Vehicle Assessment Signatory Scheme (VASS)

Dear Members

VicRoads is undertaking a review of the allocation and location of Vehicle Assessment Signatory Scheme (VASS) signatories.

In order to assist with the review and ensure the voice of industry is heard, VACC would like to gain your views.

In particular, we are seeking your insights on the following areas:

1. Any identified skills gaps experienced when dealing with a VASS engineer.
2. Regions/locations lacking VASS representation.

The following survey should take approximately five (5) minutes to complete and will be collated and submitted in report format to VicRoads.

To access the survey, please click here: https://www.surveymonkey.com/r/VASS_Survey_2019

No identifying member information will be passed onto VicRoads.

This survey will close **Thursday, 28 March COB.**

Should you have any questions, please do not hesitate to contact me on the details below.

I thank you in advance for your participation.

Best regards

Dr Imogen Reid
Industry Policy Advisor
