

BULLETIN

Body Repair Division

Reference No: CRC-07-19

Date issued: 10/07/2019

Dear BRD member

Please be aware of the upcoming Capricorn Collision Repair Conference.

I am sure you will have a positive and productive day and you can hear from VACC CEO, Mr Geoff Gwilym and VACC BRD Executive Committee Chair, Ms Carly Ruggeri.

I have [attached](#) the current flyers as well as the link for delegates to register from the Capricorn website, and open to all body repairers.

Please spread the word amongst our members, and for those who want to stay the night, Capricorn have locked in a very reasonable room rate for conference delegates at the Novotel on Collins.

Please click [here](#) to register.

Thanks again, and kind regards

John Guest
