### **Body Repairers Voice Heard - IAG Roll Back Terms of Authority to Enable Proper Dialogue Amongst the Parties to the Agreement**

Dear BRD member

VACC is pleased to inform members that due to VACC, Australian Motor Body Repairers (AMBRA) and Motor Trades Association of Australia (MTAA) raising concerns about the possibility of unfair trading terms inserted into Insurance Australia Group (IAG) March 2017 Terms of Authority (TOA), IAG has rolled back the agreement. The 28 February 2017 TOA has been reinstated, and this rollback will be in place until 2 June 2017.

The reversal will allow proper discussions and negotiations to occur between MTAA members and IAG.

VACC will keep members informed of developments, and VACC takes this opportunity to thank all members who raised concerns on behalf of the industry.

Once again, I use this opportunity to restate to members to use only the TOA in place until 28 February 2017. These terms can be found [by clicking here](#)

Best regards
