### QBE invites registrations in the Request for Proposal to become a QBE approved repairer

Dear Member

QBE has undertaken a strategic review of its Claims Motor Division and plans to relaunch its Accredited Smash Repair Network.

QBE's first step in this process is to seek registrations of interest in the request for proposal (RFP) for the provision of *an end to end smash repairer solution* for its customers in Sydney, Melbourne, Brisbane and Canberra (metropolitan areas only).

The Motor RFP timelines are as follows:

- Registrations of interest in the RFP will open on **3 May 2017 at 10am EDST** and close on **10 May 2017 at 4pm EDST**
- **The RFP will be released on 17 May 2017 at 10am EDST and close on 31 May 2017 at 4pm EDST**
- Successful and unsuccessful repairers will be advised of the outcome by 31 August 2017
- The new Accredited Smash Repair Network will officially commence from 1 September 2017

To register your interest in the RFP, please visit the QBE website:

VACC will keep you informed if any further information comes to hand.
