### Applications open for Road Safety Innovation funding

Dear Members

Deputy Prime Minister and Minister for Infrastructure, Transport and Regional Development, the Hon Michael McCormack MP has announced Round One applications are open for the Australian Government's \$12 million [Road Safety Innovation Fund](#).

The program provides grants for road safety research and technology development to improve safety outcomes across the country, with Round One's allocation of \$2 million available for projects over the next four years.

The Deputy Prime Minister stated:

*"The funding will target innovating projects addressing priority areas including improving road safety in regional and remote areas, reducing driver distraction and drug driving and supporting better safety outcomes for vulnerable road users."*

Assistant Minister for Road Safety and Freight Transport, the Hon Scott Buchholz added:

*"Potential projects can include innovation in road safety management initiatives, new technologies and delivery techniques or research that better informs policy development and outcomes."*

First round applications close 18 May 2020 and will be assessed via an open competitive process.

**Estimated Grant Value (AUD):** From \$10,000.00 to \$50,000.00

**Instructions for Application Submission:** You must submit your proposal to [roadsafetygrants2@infrastructure.gov.au](mailto:roadsafetygrants2@infrastructure.gov.au) by 11.30pm (Canberra Time), 18 May 2020.
