### National Heavy Vehicle Regulator V2 update Tasmania

TACC Members are advised that the National Heavy Vehicle Inspection Manual (NHVIM) 'Version 2' has become the inspection standard for all heavy vehicle inspections in Tasmania as of 3 March 2016.

VACC has been advised that NHVIM *Information Sheets* have been circulated to industry in Tasmania. Those information sheets are available on the National Heavy Vehicle Regulator website and a copy of the National Heavy Vehicle Inspection Manual Version 2 are available by taking [this link](#).

If you have any questions regarding the national rollout of the NHVIM please contact 1300 696 487.
