### Vehicle Standards Bulletin (VSB) 6: National Code of Practice for Heavy Vehicle Modifications

Dear Member,

The NHVR has published a revised version of *Vehicle Standards Bulletin (VSB) 6: National Code of Practice for Heavy Vehicle Modifications*.

The revised version has been determined as Version 3. The NHVR will now commence work to implement the revised standard nationally from 1 September 2017.

Members of the Commercial Vehicle Industry Association of Australia (CVIAA) helped inform the NHVR on the revised VSB6.

The revised standard, along with supporting information, is now available for you to view at the [CVIAA](#) website.

Should you require any further information or assistance regarding VSB6 please do not hesitate to leave commentary on the CVIAA website. Further information can be found by contacting the NHVRs Vehicle Safety Standards team on [vehiclestandards@nhvr.gov.au](mailto:vehiclestandards@nhvr.gov.au) or 07 3309 8707.

Regards
