

### ACCC survey on small business issues

Dear Member

The Australian Competition and Consumer Commission (ACCC) has released a survey seeking feedback from consumers, businesses and other stakeholders as part of its annual review of the ACCC's [Compliance and Enforcement Policy and Priorities](#).

The ACCC's Compliance and Enforcement Policy sets out the ACCC's priority areas for its compliance and enforcement activities, and lists the primary factors the ACCC will take into account when deciding to pursue matters.

Feedback from small business is considered invaluable when drafting this policy – **noting past feedback has had a direct impact on their priority areas.**

#### What is the ACCC asking for?

The ACCC is seeking your views on current priority areas [via an online survey](#). The survey will ask you to identify new issues that might be causing small business harm or competitive detriment. This feedback will be used to help shape the ACCC's drafting of the Compliance and Enforcement Policy 2022.

The ACC is also seeking to understand your experiences with the COVID-19 pandemic – specifically how this has impacted you, and your supply networks.

The online survey is available [HERE](#). The survey closes 3 November 2021.

If you have any questions about the survey, please contact [StrategicReview@acc.gov.au](mailto:StrategicReview@acc.gov.au).
