ACCI Small Business Survey

Dear Member

The Victorian Automotive Chamber of Commerce (VACC) invites you to take the opportunity to make your voice heard through the Australian Chamber of Commerce and Industry (ACCI)'s **Small Business Survey**. VACC is a foundation member of ACCI and works closely with ACCI on national and state policy issues.

ACCI's Small Business Committee is looking at the impacts of red tape and regulatory burdens on small businesses at a Federal level. The challenges your business face and your priorities are important. Participating in the survey ensures your concerns are part of ACCI's advocacy to government and directly inform government policy.

The survey is open until 24 April and a \$300 Visa gift card prize is available for one lucky respondent.
