Accident towing allocation depot maps

Dear Member

The Victorian Automotive Chamber of Commerce (VACC) wish to inform all **Accident Towing Operators** that VACC recently requested the depot maps for the controlled area to be updated as a result of recent boundary changes.

The Department of Transport and Planning (DTP) has updated the maps and they are now available to view on the webpage [Accident towing allocation map : VicRoads](#), under the heading "**Controlled Accident Allocation Depot Maps**".

All maps are in a pdf format.

If you have any questions, please contact Industry Policy Advisor Kathy Zdravevski or the Department of Transport and Planning on 03 9881 8787.
