Motor V	ehicle Insurance and Repair Industry Code of Conduct Administration Committee
CODE RESPO	ADMINISTRATION COMMITTEE MAKES MAJOR STEPS IN REVIEW DNSE
24 JAN	UARY 2024
Comm	otor Vehicle Insurance and Repair Industry (MVIRI) Code of Conduct ttee (CAC) has made significant progress in response to the independent conducted by Dr Michael Schaper.
seekin	AC has finalised a brief for a rewrite of the Code, in addition to formally g legal advice regarding governance options to external parties who will repor the committee in early 2024.
simplifi	naper's review called for improvements to the Code which would see it ed, while remaining legally rigorous. To this end, the CAC has sought input cternal advisors." MVIRI CAC Chair, Stephen Jenkins said.
	eview also called for the appointment of an independent chair and deputy as well as clarifying the committee's governance and voting.
	udent the committee is informed with sound legal advice to ensure reform of de achieves the best possible outcomes for all industry participants."
	onse Dr Schaper's recommendation and industry feedback to update the vebsite, the committee is currently working on improvements to the user ence.
	he report was formally received in May 2023, the CAC has met several times ress the 15 recommendations provided by Dr Schaper.
