

Dear members

You are invited to attend a free online lunchtime forum "From Passion to Panel" organised by the Motor Trades Association of Australia (MTAA) and hosted by the Australian TV and radio presenter, Erin Molan. Please register to attend by clicking on the link below.

From Passion to Panel

Free online lunchtime forum

Grab your lunch and join us for an exciting free virtual event hosted by Australian TV and radio presenter, Erin Molan

Join the Motor Trades Association of Australia (MTAA) and its federation counterparts to share knowledge, updates and hot topics in the automotive panel repair industry.

MTAA is the voice of 72,521 retail motor trades businesses including retail, service, repair, recycling and associated industries, employing 384,810 Australians. MTAA has supported the collision and panel repair industry for over 100 years and continues to be the leading industry association.

Erin Molan is a television and radio sports journalist, known for her work on Sky News, 2Day FM and *The Daily Telegraph*. Previously she appeared on Channel 9's *Wide World of Sports*, *The NRL Footy Show*, and *The Sunday Footy Show*. She is passionate about politics, national security and foreign affairs, and uses her platform to support several charities and causes. Erin travels Australia sharing her story of persistence and resilience, and considers inspiring and empowering the next generation a genuine privilege and responsibility.

Learn about business strategies and leadership models for women in automotive collision from those pioneering change. **A panel of passionate and pioneering women will join Erin to discuss:**

- Their 'aha!' moment that kick-started their collision journey
- How they attract, retain, and lead staff
- The mindset that sets leaders apart and how they prepare the next generation
- How women in leadership can inspire others to achieve greatness.

Who: Anyone interested, working or wanting to know more about the automotive industry.

What: An inspiring hour of chat about leadership and resilience.

When: Thursday 16 November 2023

Cost: Free
