COVID – 19 Vaccinations in the workplace

VACC has been approached by a number of dealer members seeking advice on the issue of mandatory COVID-19 vaccinations in the workplace.

Given the significance and complexity of the issue, VACC will host a webinar for dealers on COVID-19 Vaccinations in the Workplace, on Monday 30 August 2021 at 3pm.

The webinar will be presented by Daniel Hodges, VACC Executive Manager – Workplace Relations, and will focus on the following areas:

- An overview of the issue
- Fair Work Ombudsman (FWO) advice, and how it relates to the automotive industry
- Discrimination
- Privacy
- Occupational Health and Safety
- Steps to determine whether mandating employee vaccinations in your workplace would be legal
- Other key considerations and recommendations

Please register by clicking the link below. The webinar will be limited to two persons per membership from the following VACC divisions:

- Victorian Automobile Dealers Association (VADA).
- Farm and Industrial Dealer Machinery Association (FIMDA).
- VACC Motorcycle Industry Division (MID).
- Commercial Vehicle Industry Association of Victoria (CVIA).
- Used Car Traders Division
