

### Specific portal for bushfire-affected businesses

VACC would like to draw members' attention to a new portal established specifically for businesses in bushfire-affected areas.

The Australian Chamber of Commerce and Industry (ACCI) recognised the need for a 'one stop shop' for available information that includes:

- available funding and grants from federal and state governments
- financial advice
- insurance
- tax
- work, health and Safety precautions
- mental health support

The website can be accessed at <https://bushfireinfo.business/> and will be continuously updated as new information becomes available.

As previously communicated to members, VACC is here to support our members and communities affected by the bushfires. If you require support and/or counselling, please contact VACC's People and Culture on 03 9829 1109.
