Final Report- Accident Towing Regulation

Reference No: TOD 01-16

Date issued: 14/01/2016

ESC has released final report

Dear Members

The ESC has released its final report into economic regulation of accident towing in Victoria. The final report was released this morning.

The final report is now public and is available on the ESC website and from the link below:
<http://www.esc.vic.gov.au/Accident-Towing/Accident-Towing-and-Storage-Economic-Regulation-Re/publications>

The final report sets out 19 recommendations to Government, and three matters for further consideration by Government.

The VACC is currently considering the report and will update members once this has been concluded.

We have also provided [this link](#) for members wanting to make comment to the VACC about the final recommendations.
