Reference No. Christmas closure/dt-12-21

Date: 23/12/2021

This year VACC will be closed during the Christmas/New Year period from Friday, 24 December 2021 until 7 January 2022. This is a quiet time as many members have their annual close-down at this time.

Skeleton staff in Industrial Relations and Technical Services will be able to assist members with telephone enquiries. Any other services will resume on Monday, 10 January.

You can find information about the Public holidays December 2021/January 2022 in the December 2021 issue of the Workplace Update [here](#).

Best wishes for the festive season! Keep safe and well!
