Women in Automotive invites you to attend:

SUPER WOMEN: Understanding Your Super

Did you know that women currently retire with 47% less superannuation compared with men?

With women living longer, it's imperative that we look after our financial future and plan for retirement in our own right.

Knowledge is power, so come along to our **Super Women: Understanding your Superannuation** event to arm yourself with the information you need to get the ball rolling.

Guests will hear from leading superannuation expert, Ms Leeanne Turner, CEO, MTAA Super.

Leanne will discuss the current status of women and their superannuation and help you understand some of the fundamental decisions you should be making to safeguard your financial future.
