

## Survey Request - Schedule I of the VRSR Award

**Please complete short survey in attached link below**

VACC has sent out a number of bulletins and surveys to members regarding the interim flexibility award provisions in **Schedule I – Award Flexibility during the COVID – 19 Pandemic**, that has been inserted in the **Vehicle Repair, Services and Retail Award 2020 (VRSR Award)**. On the evidence provided to date, the ACTU and other unions have not objected to our previous applications to the Fair Work Commission (FWC) to extend **Schedule I**, most [recently](#) from 30 September 2020 to **30 November**.

The FWC has indicated that Schedule I may be further extended if it can be demonstrated that businesses in the vehicle repair, services and retail sector continue to be adversely affected by the pandemic and are utilising the flexibilities set out in the Schedule.

### **Schedule I only applies to:**

- businesses who are not eligible for JobKeeper; and
- non-eligible employees (e.g. employees employed after 1 July 2020) employed by a business qualified to receive the JobKeeper payment; and
- businesses covered by the VRSR Award.

### **Schedule I flexibilities**

Schedule I allows for the following changes to the VRSR Award:

- for employers who first implemented before 30 June 2020, a temporary reduction of hours of work for full-time and part-time employees;
- an ability for an employer to request an employee to take paid annual leave, provided the employer provides a minimum 72 hours' notice and the employee retains a balance of at least 2 weeks annual leave; and
- an ability to agree with an employee to take up to twice as much annual leave at a proportionately reduced rate of pay for all or part of any agreed or directed period away from work, including any close-down (**Note:** a similar flexibility is provided in Schedule X).

Please take this link [here](#) which leads you to a short survey seeking your input. Can you please respond by **Thursday, 19 November 2020**.
