

Reduce the risk of spreading COVID-19

We are committed to the health, safety and wellbeing of our employees and customers.

The COVID-19 virus can survive on surfaces such as bank notes and coins for several hours or days.

As money is exchanged from person-to-person the potential to spread the virus to our staff and within the community increases.

To help reduce the risk of coronavirus:

- **Avoid cash handling, wherever possible**
- **Use non-contact payment methods such as tap and pay**
- **Maintain good personal hygiene practices – wash and sanitise hands regularly**
- **Avoid contact with your face, eyes, nose and mouth**
- **Sanitise frequently used surfaces regularly.**
