

Automotive Electric Vehicle Training

Stage 1 – Safety

Electric Vehicle Safety Course

VACC is offering a course in depowering and reinitialising battery electric vehicles. Completing this first stage will provide the necessary training to allow individuals to access repair information relating to high voltage automotive systems.

Participants will learn how to safely depower the vehicle's high voltage rechargeable energy storage system (RESS) and separated extra low voltage (SELV) system and to reinitialise the RESS and SELV, confirming correct vehicle operation.

This course is for those working in the automotive industry, including service and repair sector workers, towing operators and dismantlers of EVs.

You will be enrolled into the following unit:

AURETH101 - Depower and reinitialise battery electric vehicles

Location: Outer Northern Trade Training Centre (ONTTC) – Lalor

Duration: One day

Schedule: Every Thursday from
18 August to 8 September

Cost: VACC Members: \$765 pp
Non-VACC Members \$1260 pp

If you have any questions, please call

Skills Development Centre on: 03 9829 1114

COURSE INFORMATION

Enrolments

Applicants will receive enrolment confirmations approximately one week prior to commencement of course.

Refund policy

If you cancel your registration 7 or more working days before the event, we will refund 100% of the fees paid. For cancellations made less than 7 working days before the event, no refund will be made. Registrations may be transferable at any time to another person within your organisation at no charge. VACC reserves the right to cancel or postpone courses and move registrations to other dates and times. Course costs may be subject to change.

Privacy Information

VACC respects the privacy of individuals and acknowledges that the information you provide on this form is personal information as defined by the Privacy Act 1988. The information is being collected for the purposes of processing registration. The intended recipients of the information are the VACC and service providers engaged by the VACC. The provision of this information is voluntary, but if it is not provided the VACC may be unable to process your registration.

Unique Student Identifier

If not already held, participants must apply for a Unique Student Identification number (USI). This is a government requirement for all students, and it is not possible to enrol unless the number has been provided.

To apply, go to the website usi.gov.au/students and click 'Create USI'. You will need a Driver Licence or Medicare card to complete this task. If you already have a USI, then simply provide the number to the TAFE. If you have forgotten, then you can recover the number via the same website.

Venue Details

Venue: Outer Northern Trade Training Centre (ONTTC) – Lalor
407 High Street, Lalor VIC 3075

Please go to reception and they will direct you to the automotive training room

Time: 8am to 4pm
