2024 APRAA Conference

Driving Innovation: The Road to Tomorrow

The Auto Parts Recyclers Association of Australia (APRAA) and the Motor Trades Association of Australia (MTAA), in collaboration with Auto PARTnered Solutions (APS), are thrilled to announce that this year, they will be hosting an automotive recyclers conference.

When: Thursday 29, Friday 30 and Saturday 31 August 2024

Where: QT, The Gold Coast

This conference is poised to assemble an impressive lineup of industry experts and influencers from around the world. Prepare for two days filled with sessions and insights into sales, production, operations, plus invaluable networking opportunities with the foremost auto recyclers from all over the world.

We extend a warm invitation to you and your entire team to be part of this transformative event. Please make sure you save the date and join us to unlock your full potential and spearhead the future of excellence in auto parts recycling.
